

COMMUNITY IMPACT REPORT

Our mission is to end the incidence and trauma of domestic/intimate partner violence, sexual violence, and child abuse in North Lake Tahoe and Truckee

Greetings!

I am truly humbled and grateful to have the opportunity to lead this great organization with the staff and Board of Directors. Tahoe SAFE Alliance plays a vital role in our communities providing a variety of services including shelter to those experiencing intimate partner violence, sexual violence, and child abuse. Additionally, our Community Education and Violence Prevention Program provides education to over 4,000 youth and community members annually! We work closely with many community partners and provide support, and mentoring to other local nonprofits. Furthermore, we have leadership roles at the state level in both California and Nevada. There is a lot to be proud of in terms of what Tahoe SAFE Alliance is doing in the field of intimate partner/domestic violence, sexual violence, and child abuse.

Thank you for your continued support whether it's through volunteering, donating, or just believing in our mission and the work that we are doing. From all of us at Tahoe SAFE Alliance have a safe holiday and prosperous New Year!

With respect,

Paul Bancroft
 Executive Director
